

Are there specific topic areas that you would like future conversations to focus on?

Mental health support for staff throughout Covid

Addressing noncompliance of policy

Securing longer-term PPE supplies

Library-Shelter partnerships... what are you currently doing?

Sharing resources for homeless populations. New programs, new opportunities, openings, availability.

Care for people with complex medical needs/ end of life care in shelter

Access to Funding

Administering vax and testing requirements.

Ideas of what help we can give regarding COVID help when people are out of work a couple weeks or longer. It is super hard missing work and now wondering how to pay for even a mortgage.

Are there specific topic areas that you would like future conversations to focus on?

Vaccine/testing requirements

cost effective ways to support clients' mental health and well being while being covid-safe in a congregate setting

winter and homeless and covid.

How to involve people exp. homelessness -be on staff, boards running programs

Program development in rural MN

Outreach resource support

Best practices for serving COVID+ people alongside those without COVID

How to raise wages in shelters, strategies for retention

How to best deal with Mental Health. Chemical Dependency... Resources in general. How to best support frontline staff

Are there specific topic areas that you would like future conversations to focus on?

Staff Covid19 information & vaccination

financial resources for people out of work for short term,
non-Covid medical needs

structure - not allowing extensive monologues

Third Tuesday are generally not great but this month is good since many regular meeting are not taking place in Dec.

What would make these conversations most useful to your work?

Knowing the topic ahead of time

Afternoons are good

structure - not allowing extensive unrelated shares

Meet Before this call

I'd be able to share with other co-workers so if they are interested in the topic they can also join

Questions to think about before the conversation.

Are there any barriers that could be alleviated that would make it easier to participate in future conversations?

Being able to submit questions or ideas for the next meeting.

it is a safe space so it's nice we can share here. Think it's nice that it's afternoon on Wednesday also

Having a recording to go back and review if not able to attend

Which of these dates would you be most likely to participate?
