

Homelessness Justice

How can Health, Housing and Racial Justice Transform our Approach to Homelessness?

This is the first step in the MN Interagency Council on Homeless (MICH) strategic planning process.

- April 29
- May 6
- May 20
- June 3
- June 17

Wednesday, June 22; 1:00-2:00 pm Phase One will culminate at this weekly Wednesday webinar

Membership

We invite you to join participants from across Minnesota, including leaders with lived experience of homelessness, to co-create this operational definition. All are welcome to join the Work Groups. The success of this process depends upon gathering a wide variety of perspectives and expertise. We ask that you attempt to attend all 5 Work Group meetings.

COMMUNITY CONVERSATIONS

Description

Community Conversations provide a forum for anyone to provide input to and follow the progress of the Work Groups as they develop a unified, operational definition of housing, racial and health justice for people experiencing homelessness.
